Can you crawl like a spider or fly like a butterfly? Let’s learn about bugs and squirm, squirm, squirm!

Click on a book cover below to open the read aloud in YouTube.

**Literacy Activity**

For the book, *Bugs! Bugs! Bugs!*, create puppets to use while you retell the story. Afterwards sing, “There’s a Bug On the Rug.” *(Lyrics on page 2.)* Name each bug and put it on the rug while you sing.

Finger plays:
“Here is a Beehive” and “Butterfly, Butterfly!”

**Math Activity**

5 Little Ladybugs sitting in the sun
One flies off to have some fun
4 Little Ladybugs sitting in the sun
One flies off to have some fun
3 Little Ladybugs sitting in the sun
One flies off to have some fun
2 Little Ladybugs sitting in the sun
One flies off to have some fun
1 Little Ladybugs sitting in the sun
One flies off to have some fun
No Little Ladybugs sitting in the sun
Time to come back, the day is done!

@Jamie White 2017

**Science Activity**

Where Are The Bugs?

Go on a hide ‘n seek nature walk/stroll to discover insects or bugs. If it’s safe, put an insect or bug on your child’s arm and describe it: the color of the bug, if it has wings, number of legs, or spots. Capture and release!

If it’s a rainy day, hide some stuffed animal bugs or paper bugs around the house to find.

Click on the image to see Ms. Michelle search for bugs.
