Literacy Activity

After you have listened to the book, remind your child of the phrase, "Turnips tucked in tightly." Ask them what letter each word starts with. Watch again and look for the other alliteration phrases.

Tuckered-out tomatoes, cuddly cauliflowers, rhubarbs reading, cucumbers are calm, and cranky corn. Use the word cards for recognition and for the science and math activities below.

Dramatic Play or Music Activity

Vegetables are Good for Me

(To the tune of Old McDonald)

Vegetables are good for me. Ee i ee i o
So I eat them happily. Ee i ee i o.
With a carrot here and a carrot there
Here a carrot, there a carrot, everywhere
a carrot.

Vegetables are good for me. Ee i ee i o.

Vegetables are good for me. Ee i ee i o
So I eat them happily. Ee i ee i o.
With a tomato here and a tomato there.
Here a tomato, there a tomato,
everywhere a tomato.

Vegetables are good for me. Ee i ee i o.

Add a different vegetable for each verse.

Science Activity

Talk to your child about the different types of vegetables in the book. Some grow below the ground and some grow above the ground.

Have your child color the bottom of a sheet of paper brown and the remaining paper blue.

Position the vegetable word cards (literacy activity) on the paper where they belong. Have your child draw their own garden vegetables on their paper.
